

BCMC E3-ET

Description

Hygienic meat storage

Beecraft's meat crate has been specially developed for use in the meat industry and fulfils the stringent requirements of the EHI Retail Institute. The BCMC E3-ET Euro crate drains water from its edge and consequently provides ideal conditions for storing and transporting meat products.

- For automated logistics
- Smooth inner surface for easy cleaning
- Suitable for dishwashers
- DIN 55423-compliant
